PMT 550BT USER MANUAL

Features and Functions:

- Bluetooth car kit, compatible with all Bluetooth phones.
- CVC technology to eliminate noise and restrain echo, enjoy clear speaking.
- Support line-in & audio-out, USB & SD, can play music from the phone through Bluetooth. (Priority: Bluetooth calling > Bluetooth music > Line-in > SD/USB)
- Support last call re-dial functions and voice dialing supported (if your phone has the functions).
- Mute function to enjoy private talking.
- Automatically connection.
- Built-in Microphone.
- Clear LCD display, support full frequency transmitting (88.1-107.9MHz)
- Spring handle support all direction circumgyrated.
- EQ mode and circulation mode options.
- Steering wheel remote control, operating easily and conveniently.

Technical Specifications:

Excellent sound quality with full duplex communication

DSP (Digital Signal Processing) Technology for echo cancellation and background noise reduction

Bluetooth interface:	Version 2.0, Class 2,
Bluetooth frequency range:	2.402 ~ 2.480GHz
Supported BT Profiles	HSOF, Headset, A2DP,
FM transmitting range:	88.1~107.9MHz
Operating voltage range:	DC 12V~24V (car lighter socket)
Charger Output Rating:	5V DC, 1.5A
Microphone:	Noise Cancelling
Support:	SD and USB
Display:	LCD display
Audio In/out:	2.5mm jack

Installation

1. Insert the PMT 550BT into the socket of car lighter.
2. Adjust the transmitting frequency of the PMT 550BT to correspond channel between FM 88.1~107.9MHz
3. Set the car fm channel the same with PMT 550BT channel, then the PMT 550BT could play music of the USB sitck or SD card, or other audio source through line-in.

BLUETOOTH FUNCTION OPERATIONS

Paring with a Bluetooth enabled cell phone

1. With the PMT 550BT ON, long press the PLAY key on the panel or on the remote control, the screen will display "Pairing", indicating that the unit is ready to be paired.
2. The Bluetooth cell phone will search for the nearby Bluetooth devices, the cell phone will display "PMT 550BT" in the list of Bluetooth devices, if you are using a "dongle" type Bluetooth adaptor; follow the manufacturer's instructions for that device.
3. Select "PMT 550BT" to add this Bluetooth device into the list of paired devices.
4. Enter in the PIN Code "0000" and your mobile phone will show that pairing is completed.

If pairing is successful, the screen of PMT 550BT will display "Pair OK", and the Bluetooth icon will be shown on the screen.
