

The HTT 101C cartridge package contains:

2 x saphire stylus for HTT 101 turntable

Replacing the stylus (needle)

- Lift the tone arm off the tone arm rest.
- At the front end of the tone arm, place the tip of your fingernail between the red stylus holder and the black cartridge housing as shown, press down on the red stylus holder until it separates from the cartridge housing.
- Completely remove the red stylus holder with worn stylus and discard it.
- Place the new red stylus holder with stylus under the cartridge housing. First, press upward on the back side of the stylus holder, and then press up on the front edge of the stylus holder until it snaps into place on the cartridge housing.
